OUR GAIN-SHARE MODEL

We don't make money unless you do. No upfront cost and no surprises. We agree on a cash-savings baseline and deliver to your bottom line.

You keep 70% of realized savings • 30% to TC Sourcing

Most gain-share consultancies charge 50/50. We recognize that it's your business, your suppliers, and you should realize most of the benefit.

Ready to drive bottom-line cash-savings to your organization?
